

2019 SCHEDULE OF EVENTS

Monday, August 5th-OPTIONAL EXTRA DAY

1-7 pm **Pre-Kidvention Workshops: \$100 each/6 hour workshop**

Pashur- Zombies

Zombies are on demand all year long. In this hands-on workshop, Pashur will show you how to create several money making zombies using face paint and gore fx products that are used in theater and film. There will be fun zombies and gruesome zombies too, great for parties, zombie crawls, movies and simply scaring kids down the street. Demos Include: Fast Zombie, Ghost Zombie, Eerie Zombie, Toxic Zombie, Virus Zombie, Cute Cartoon Zombie and much more! There will also be numerous Gore FX tips and tricks... fake blood techniques, bruises, bites, veins, scratches, fake wounds and more! This class is going to be super fun and super informative! No prosthetics will be used.

Heather Green- Birthday Boost!

Join Heather for an awesome workshop where she will help you maximize private clients by

- Adding a colorful spin to the most requested designs
- Improving your Arty and Rainbow cake techniques
- Improving your marketing message
- Helping you garner residual business
- and have fun in the process!

This is a great workshop for any and every level artist, and for those that want to give their business the boost it's asking for.

Shawna Del Real- Sugar Skulls

Join Shawna in this new workshop where she will teach you a variety of quick masculine and feminine Sugar Skull designs that will help you whip through those face painting lines at festivals and parties. This class will focus on highlights, shadows, proportions, flow, blending and line work. This is a hands-on workshop so be ready to paint!

*This class is great for artists of ALL skill levels wanting to improve their application skills from kids face painting to beauty photoshoots.

You will leave this class feeling confident and inspired in your new found techniques and ready to create beautiful Sugar Skull designs for any type of client request including Private appointments, Festivals and Parties.

Bianca Hannah- One Stroke Floral

We will be doing one stroke technique designs, where you will learn how to do Calla lilies and how to create beautiful floral designs.. I will show you how to easily achieve depths and 3D effects and what to know about realistic painting.

I'll also share tips and designs to be really fast on the job, including boy designs.

As a bonus theme I'll teach you how to do one stroke designs with waterproof paints and show you how to work with these paints.

The class will be loaded with lots of information and I'm looking forward to seeing you there. (Bring extra time)

Louis Meyer- The Resilience Advantage

Resilience skills for clear choices, optimal function and innovative action.

Is your life battery running on empty?

What would your life be like if ...

- you had more energy throughout the day?
- you intuitively knew how to respond to change and challenge?
- when out of sync, you could reset yourself just like you reset your computer?
- your communications were clear, rich and fulfilling?

Benefits

- Increased situational awareness in relationships, meetings and projects
- Enhanced ability to focus, process information and solve problems
- Heightened creativity and innovation
- Increased ability to handle challenging clients and situations
- Increased access to intuition for fast, effective decision-making on complex issues
- Increased regenerative sleep
- Increased vitality and resilience
- Reduced stress, worry and fatigue

Louis Meyer: Success Principles #1-Kiva Room

Anyone can dramatically improve their performance and results – with the right tools and support. Yet most people have never learned the time-tested self-empowerment strategies and performance principles that are the basis for personal and professional success. If you're ready to take your life to the next level, the Success Principles is the opportunity you've been waiting for.

3:15 pm Breakout Sessions (1 Hour and 30 Minutes)

Magic-Louis Meyer- Working with Kids and Beginner Magic!-Mohave 2

Louis has been working with children for 28 years and performing magic for them for 19 years. In this lecture you will learn how to entertain children ages 3-10. It will include the #1 method that Louis uses to keep control of a group of kids for 45 minutes without ever losing that control. You will learn the child psychology used to not only entertain them but, more importantly, show that you are a true, professional, children's entertainer. Lastly, you will learn some of the magic that is used in Louis' show.

Balloons- Anthony Lena: YES! I Can Make That!- Mohave 3

We have all had people ask us, "Can you make me a (insert their wild request)?" Well, after this class you will be able to answer, "YES! I CAN make that!" with confidence the next time you get asked for something you've never thought about making! Anthony will share with you some mind blowing tips on how to approach a tough request, and how to turn a tough request into an easy request! Finally, Anthony will teach you some of his sculptures that used to be "tough requests", but now they are some of his favorite to make! Boost yourself to the next level, and don't miss this class!

Face Painting- Bianca Hannah: 3D Realistic Painting-Mohave 1

In this class you'll learn how bring your designs to a third dimension. We will create 3D realistic looking and detailed designs and learn about blending, contouring, contrast, proportions, light and shadow.

4:45 pm Dinner (Vendors Open in Hacienda Room)
