"Party Palooza: Crafting the Ultimate Balloon Wall"

Get ready to turn your balloon artistry skills into a festive masterpiece at our Party Palooza Balloon Wall Contest! This exciting event challenges you to create the ultimate balloon wall, combining both round and twisted balloons, all centered around a vibrant party theme. It's a fusion of creativity and celebration that promises a day of fun and friendly competition.

Party-Themed Balloon Wall Challenge: Our contest this year is the Party Palooza Balloon Wall Challenge, where participants are tasked with constructing a dazzling balloon wall inspired by a lively party atmosphere. In other words, a wall that you would find at a birthday party, special event, etc. Since the "party" is a convention, feel free to give it a "Kidvention" theme. Imagine the joy, colors, and excitement of a party and infuse it into your balloon creations!

What to Expect:

- Form teams of 4 members each or participate individually.
- You'll have 3 hours to design and build your party-themed balloon wall.
- Combine round balloons and twisted sculptures to capture the essence of a party.
- Judges will evaluate your creativity, theme execution, and structural integrity.
- Balloon Wall should be 8 to 10 feet wide and tall. It can extend out up to 3 feet.
- Don't be afraid to get whimsical and playful; it's all part of the party spirit!

Fantastic Prizes Await: Showcase your balloon artistry skills and win fantastic prizes! 1st Place wins \$300 and two free registrations to Kidvention 2025, 2nd Place wins \$200 plus one registration to Kidvention 2025, and 3rd Place wins \$100. People's Choice will win one registration to Kidvention 2025. Plus, Kidvention will choose some of the walls to decorate the stages of the convention! This means your wall has the chance to be in hundreds of photographs throughout the weekend.

Entertainment for All: While the competition heats up, this will be a day filled with entertainment for everyone. These walls will be on display for all of the attendees to see throughout the conference. It's an experience that goes beyond competition.

Register Today: Secure your spot at this extraordinary event by registering your team or joining as an individual competitor before January 16th.
